# THE ULTIMATE GOLF AND SAFARI TOUR OF SOUTH AFRICA

8th January - 23rd January 2011

15 night Fully Escorted Luxury Tour including 9 great Golf Courses and 4 Game Drives including the renowned Kruger National Park

## 8 - 10 January

After a private transfer from Johannesburg you will stay for three nights at the world famous Sun City Resort.

Luxury rooms at the Cascades Hotel will give a perfect base from which to play both the Lost City course and the championship Gary Player Country Club course, home to the Nedbank Challenge as seen on TV.

Whilst at Sun City we will take an evening game drive into the neighbouring Pilanesberg National Park. Our first chance to see the Big 5.

## 11 - 12 January

On day four a private transfer will take us to the amazing Legends Golf & Safari Resort. Set in the Entabeni Safari Conservancy in the Waterberg Region of Limpopo Province here is our second chance to see the Big 5.

The Legends Golf Course is unique in having each hole designed by a different modern day professional. It also boasts an 'extreme 19th hole' the longest par 3 in the world where the tee is only accessible by helicopter and a hole in 1 carries a \$1 million prize.

## 12 - 14 January

On day 6 we will transfer to the Hans Merensky Hotel and Golf Estate for a two night stay. Set on the edge of the Kruger National Park it offers a unique blend of golf and game. You should be aware of wild animals at all times and never try to retrieve golf balls from water hazards.

An evening game drive in the Kruger National Park with a night Braai will give you your third chance to see the Big 5.

## 15 - 16 January

On day 8 we will take a full days drive through the Kruger to the southern most Melelane Gate. This is a full day because of a 40km speed limit to protect the animals.

After leaving the park we make for Kwa Madala and the fabulous Manyatta Rock Camp for a two night stay.

Whilst here we will play probably the best golf course in South Africa - Leopard Creek, home to the Dunhill Championship. We will also have our last chance to see the Big 5 with our last game drive in the Kruger.

## 17 - 19 January

On leaving our Rock Camp we will take a short drive to Nelspruit for our flight to Durban. From Durban we drive south along the Hibiscus Coast to the Wild Coast for a three night stay at the Wild Coast Sun.

Here you will experience the most unspoiled beaches in South Africa washed by the warm Indian Ocean.

The Wild Coast Golf course is a true hidden gem and also down the road is San Lameer another great course.

## 20 - 23 January

For our final three nights we travel to the North coast of Durban to the beautiful Resort of Zimbali. From here we will play two exceptional courses,
